

HEWLAND CO.

Hewland  
Co.

Enabling investors to strategically plan the placement of funds and evaluate the risk and profitability of investments.

## ABOUT US

Hewland Co. was founded in 2019 with a single mission: Enable investors to strategically plan the placement of funds and evaluate the risk and profitability of investments. We approach each of our clients with fresh eyes to develop customized, unique strategies.

## FINANCIAL MODELLING

Using detailed financial models, Hewland Co outlines the investment parameters and risks to demonstrate to investors the potential return generated by the investment. Thus allowing investors to strategically plan the placement of funds with a predetermined strategy in mind.

## DEAL CONSULTATION

Hewland Co allows investors to determine the optimum way to structure their investments inside the parameters they have. Whether it is leveraging investments or partnering with others for equity, we can provide insight on the best way to do so.

## PORTFOLIO POSITIONING

We examine trends and data in the market, and in the investment area to determine the health of the investment. We then strategize using smart tools and global resources in order to understand the implications of every choice our clients can make.
